

REMARKS

This is in response to the Notice of Non-Compliant Amendment of November 7, 2008.

It was not applicant's intention to delete originally filed pages 1-2 of the specification and therefore pages 1-2 of the specification should not be cancelled. Applicant has amended the specification to include the background and summary and any markings thereto. Accordingly, the application should be in compliance.

SUMMARY

In light of the foregoing, reconsideration and allowance of this application in its amended form is respectfully requested.

Respectfully submitted,
/Richard A. Joel/
